

## Construction Notice

### Overnight Lane Closures on 87 Avenue at 159 Street Area 5

Beginning **May 4, 2026**, crews will be installing Overhead Catenary System (OCS) Poles at the intersection of 87 Avenue and 159 Street during overnight hours (9 p.m. to 6 a.m.). OCS is a network of wires suspended above the LRT tracks that transmits electricity to power the train.

To accommodate this work, motorists can expect intermittent short-term single lane closures at the intersection of 87 Avenue and 159 Street. Flagging staff will be on hand to maintain traffic flow and only one OCS pole will be installed at a time.

Pedestrian access will be maintained; however, detours may be in place. Flagging staff will be on hand to assist pedestrian movements.

This work is expected to last one week.

#### **To accommodate this work, the public will be impacted in the following areas:**

##### **Drivers:**

- There will be intermittent short-term single lane closures at the intersection of 87 Avenue and 159 Street during overnight hours only (9 p.m. to 6 a.m.).
- Turn movements will be maintained.
- Flagging staff will be on hand to maintain traffic.
- Drivers can expect traffic delays.

##### **Pedestrians:**

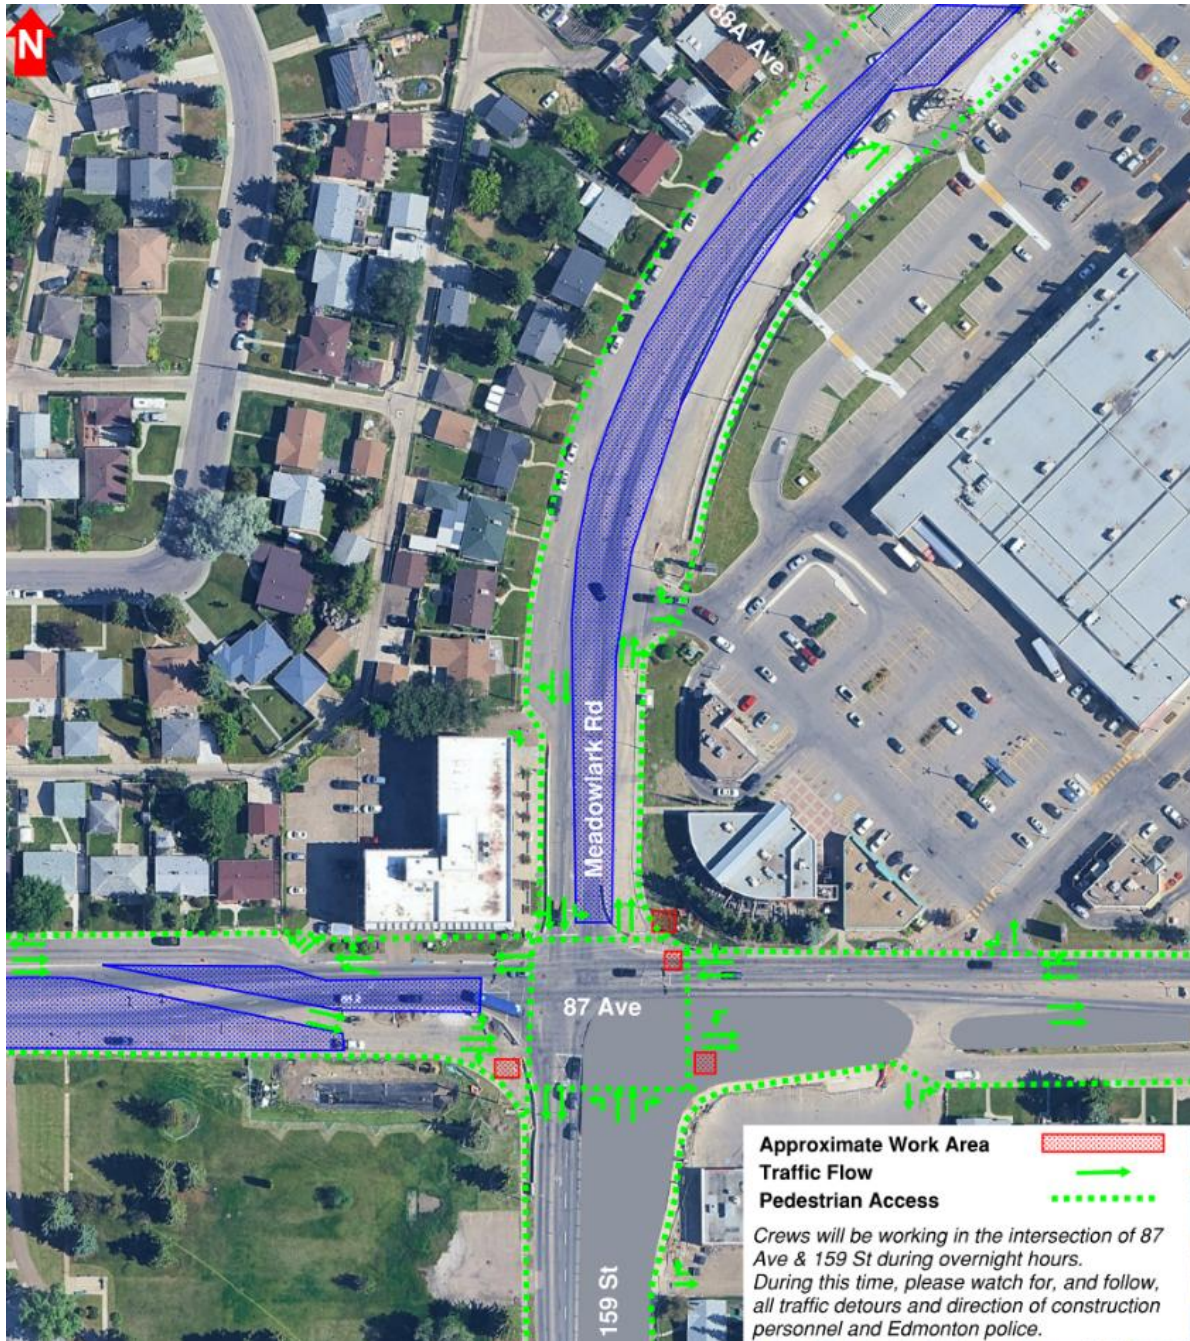

- Pedestrian access will be maintained; however, detours may be in place.
- Flagging staff will be on hand to assist pedestrian movements.
- Please follow project wayfinding signage,

##### **Other impacts:**

- Work will occur overnight hours only (9 p.m. to 6 a.m.).
- There will be noise associated with this work. Every effort will be made to reduce the impact to the public.
- This work is expected to last one week.

Marigold Infrastructure Partners is committed to following all City of Edmonton bylaws and regulations and will obtain an overnight roadwork permit so that work can take place during nighttime hours to minimize major daytime traffic disruptions. \*City of Edmonton Bylaw C14600.

### 87 Avenue and 159 Street

*The information in this bulletin is current to April 22, 2026. Please note that all dates are approximate and weather dependent. We thank you for your patience and understanding during the construction of the Valley Line West LRT project.*
