On April 22, Marigold initiated the temporary full closure of the 124 Street and Stony Plain Road intersection, as part of the accelerated roadwork associated with the Valley Line West LRT.

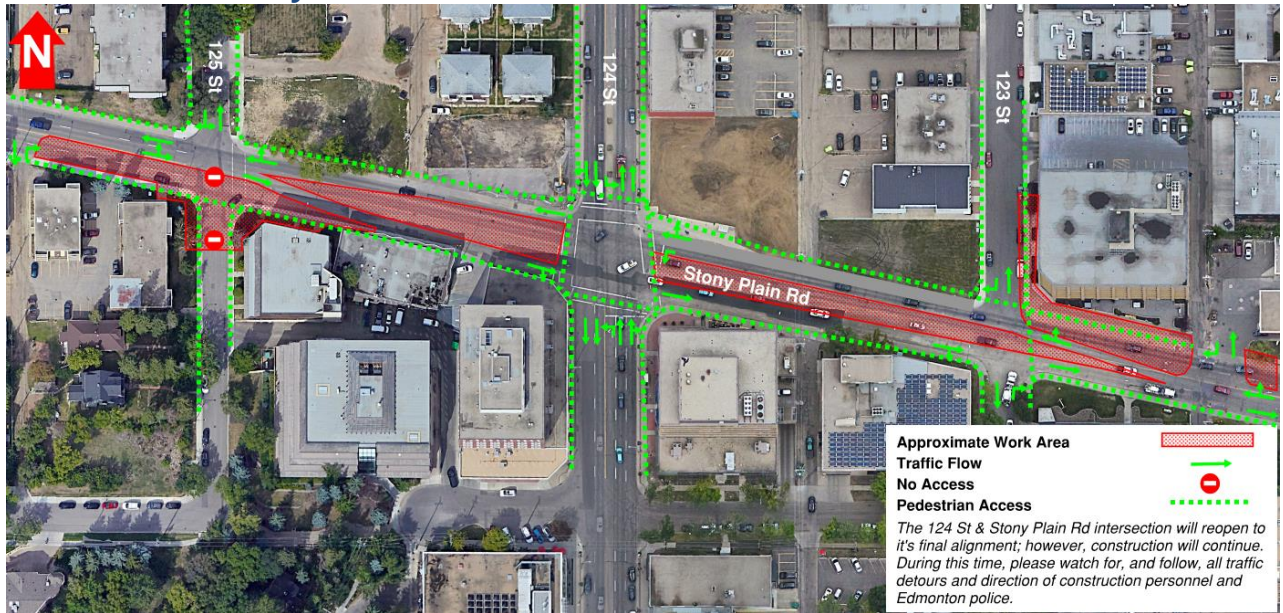

On **June 11, 2025**, this intersection reopened, one week ahead of schedule.

What you can expect

- North/south traffic on 124 Street will reopen to full capacity.
- East/west traffic on Stony Plain Road will be permanently reduced to one lane in either direction.
- Right turn movements will be maintained.
- Left turn movements will be maintained; however, eastbound to northbound left turns will be permanently banned.
- Pedestrian access will reopen throughout the intersection.

While the roadwork is complete and this intersection has reopened, construction in the area will be ongoing until completion. The public will be notified ahead of further disruptions.
