

Construction Notice

Preparatory Works Near 87 Avenue and 170 Street Area 6

On **September 11, 2023**, Marigold crews will begin preparing the intersection of 170 Street and 87 Avenue for the installation of the elevated guideway span across 170 Street. These preparatory works will allow crews to maintain traffic for much of the installation of the guideway span. Works will include the installation of temporary streetlights and traffic signals, the removal of concrete sidewalks and medians, and then temporarily repaving the area.

To accommodate this, traffic will be shifted away from the work sites and lane reductions will be in place.

Flaggers will be on hand to assist traffic.

Pedestrian access will be maintained; however, detours may be in place. Please follow project wayfinding signage.

This work will be performed during overnight hours (8 p.m. to 6 a.m.) only and work areas will be secured and re-opened to vehicle traffic at the end of each shift.

There may be noise associated with this work. Crews will have noise mitigation measures in place and will monitor operations and safely make adjustments, whenever possible.

This work is expected to last two weeks.

Marigold Infrastructure Partners is committed to following all City of Edmonton bylaws and regulations and has obtained an overnight roadwork permit so that work can take place during nighttime hours to minimize major daytime traffic disruptions. *City of Edmonton Bylaw C14600.

We ask for your understanding and patience as construction progresses.

To accommodate this work, the public will be impacted in the following areas:

Drivers:

- Traffic near 87 Avenue and 170 Street will be temporarily shifted away from the work zone.
- Motorists can expect overnight lane closures.
- Turn movements will be maintained.
- Flagger will be on hand to assist traffic.
- Traffic lanes will be reopened at the end of each shift.

Pedestrians:

- Pedestrian access will be maintained; however, detours will be in place. Please follow project wayfinding signage.

Other impacts for all phases:

- Construction work will occur during overnight hours (8 p.m. to 6 a.m.).
- There will be noise associated with this work. Every effort will be made to reduce the impact to the public.
- Please visit <https://www.edmonton.ca/ets/detours-bus-stop-closures> for all ETS changes and updates.
- This work is expected to last two weeks.

87 Avenue and 170 Street

The information in this bulletin is current to September 5, 2023. Please note that all dates are approximate and weather dependent. We thank you for your patience and understanding during the construction of the Valley Line West LRT project. Marigold Infrastructure Partners is excited to be a part of Edmonton's economic recovery.
