

Construction Notice

Preparatory Works Near 87 Avenue and 159 Street/Meadowlark Road Area 5

On or around **July 31, 2023**, Marigold Infrastructure Partners will begin work to prepare the area near 87 Avenue and 159 Street/Meadowlark Road, for upcoming drainage activities. This will include the installation of temporary streetlights and traffic signals, the removal of concrete sidewalks and medians, and then temporarily repaving the area. Once this work is complete, traffic can be shifted onto repaved area allowing drainage work to begin.

This work will be performed in three phases during daytime off-peak hours (9 a.m. to 3 p.m.) only. Each area will be secured and re-opened to vehicle traffic at the end of each shift. Pedestrian detours will remain in place until work in each area is completed.

1. 87 Avenue and 159 Street northwest corner – westbound lane closure
2. Meadowlark Road from 88A Avenue to 87 Avenue – southbound lane closure
3. 159 Street and 87 Avenue southwest corner – southbound lane closure

To accommodate this, traffic will be shifted away from the work sites and reduced to a single lane. Pedestrian access will be maintained; however, detours will be implemented. Please follow project wayfinding signage.

This work is expected to last three weeks (one week at each location).

To accommodate this work, the public will be impacted in the following areas:

Drivers:

- Traffic near 87 Avenue and 159 St/Meadowlark Road will be temporarily shifted away from the work zone.
- Motorists can expect eastbound and southbound single lane closures. These will not occur simultaneously.
- Turn movements will be maintained.
- Traffic lanes will be reopened at the end of each shift.

Pedestrians:

- Pedestrian access will be maintained; however, detours will be in place. Please follow project wayfinding signage.
- Pedestrian detours will remain in place until work in each area is completed.

Other impacts for all phases:

- Construction work will occur during daytime off-peak hours (9 a.m. to 3 p.m.).
- There will be noise associated with this work. Every effort will be made to reduce the impact to the public.
- Please visit <https://www.edmonton.ca/ets/detours-bus-stop-closures> for all ETS changes and updates.
- This work is expected to last three weeks (one week at each location).
