

## Construction Update

### Reopening of 149 Street and Stony Plain Road Intersection

#### AREA 4

*This is a supplemental notice for work previously mentioned in the following notice:*

[Temporary Partial Closure of 149 Street at Stony Plain Road](#)

On August 15, Marigold initiated the temporary partial closure of the 149 Street and Stony Plain Road intersection, as part of the accelerated roadwork associated with the Valley Line West LRT.

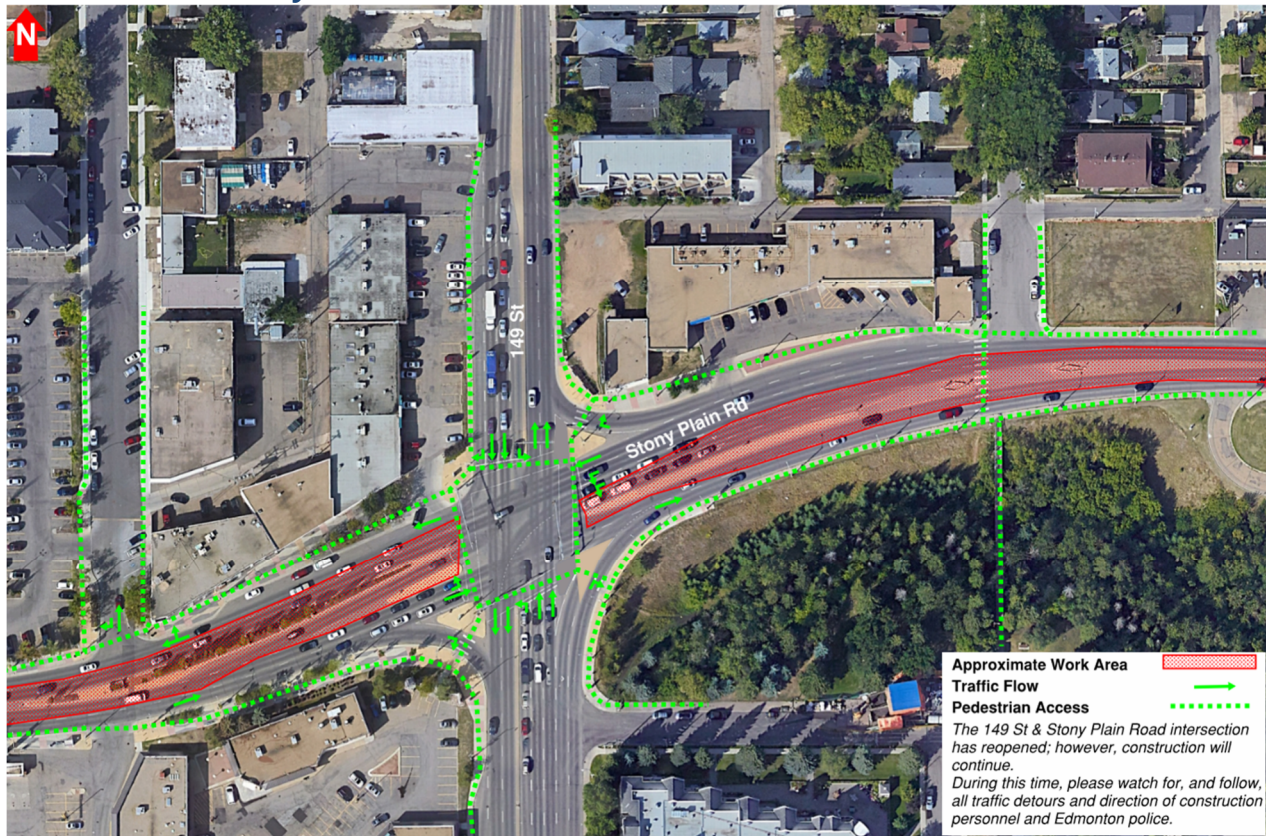

On **October 7, 2025**, this intersection reopened.

#### What you can expect

- Two northbound and two southbound lanes will be maintained on 149 Street.
- East/west traffic on Stony Plain Road is open to a single lane in either direction.
- Turn movements will be maintained throughout the intersection.
- Pedestrian access is open throughout the intersection.

While the majority of the roadwork is complete and traffic through this intersection has reopened, construction in the area will be ongoing until completion. The public will be notified ahead of further disruptions.

## 149 Street and Stony Plain Road

For detailed information of what this intersection will look like in its final configuration, check out the [City of Edmonton's Valley Line West LRT Booklet](#).

*The information in this bulletin is current to October 7, 2025. Please note that all dates are approximate and weather dependent. We thank you for your patience during construction of the Valley Line West LRT project.*
