

Construction Update

Reopening of 95 Avenue and 156 Street Intersection

AREA 5

This is a supplemental notice for work previously mentioned in the following notice:

[Temporary Partial Closure of 95 Avenue and 156 Street Intersection](#)

On July 31, Marigold initiated the temporary partial closure of the 95 Avenue and 156 Street intersection, as part of the accelerated roadwork associated with the Valley Line West LRT.

On **October 3, 2025**, this intersection reopened.

What you can expect

- North/south traffic on 156 Street is open to a single lane in either direction.
- East/west traffic on 95 Avenue is open to two lanes in either direction near the intersection.
- Right and left turn movements are reopened throughout the intersection.
- Pedestrian access is open throughout the intersection.

While the majority of the roadwork is complete and traffic through this intersection has reopened, construction in the area will be ongoing until completion. The public will be notified ahead of further disruptions.

95 Avenue and 156 Street

For detailed information of what this intersection will look like in its final configuration, check out the [City of Edmonton's Valley Line West LRT Booklet](#).

The information in this bulletin is current to October 6, 2025. Please note that all dates are approximate and weather dependent. We thank you for your patience during construction of the Valley Line West LRT project.
