

Construction Notice

Lane Reductions and Traffic Shift at the Intersection of Stony Plain Road and 156 Street to 100 Avenue

AREA 4

This construction is related to work previously mentioned in the following notice: [Utility Relocations on 156 Street/Meadowlark Road between 88 and 100 Avenue](#)

In early July, Marigold Infrastructure Partners will begin construction at the intersection of Stony Plain Road and 156 Street to 100 Avenue. This work is to facilitate construction of drainage early works for Valley Line West.

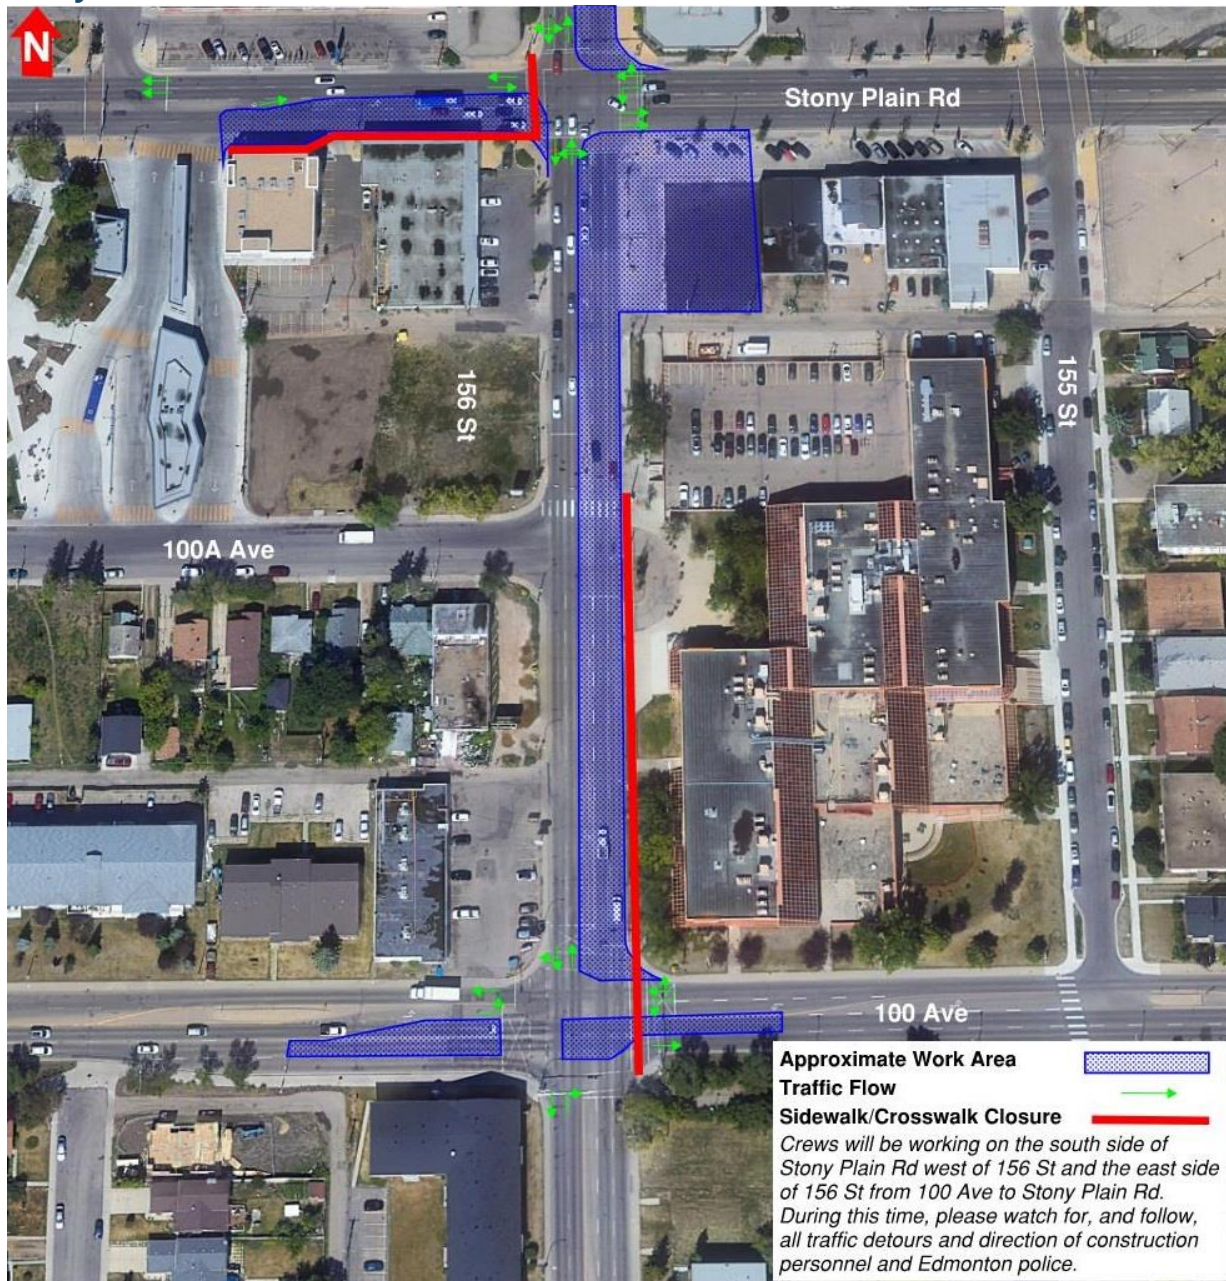

To accommodate this, traffic will be shifted around the construction sites and reduced to a single lane in either direction at the intersection of Stony Plain Rd and 156 Street and on 156 Street to 100 Avenue. Additionally, street parking will be removed from 156 Street and from Stony Plain Road.

This work will proceed in two phases. Each phase is expected to last approximately one week.

Phase One

- Crews will be working on the south side of Stony Plain Road, west of 156 St.
- Traffic on Stony Plain Road west of 156 Street will be shifted north and reduced to one lane in either direction.
- The south sidewalk on Stony Plain Road will be closed; pedestrians are asked to use the north sidewalk.
- The north/south crosswalk on the west side of the intersection will be closed; pedestrians are asked to use the east crosswalk.
- Traffic on 156 Street will be shifted west and reduced to a single lane in either direction.
- Crews will also be working on either side of 156 Street at 100 Avenue.
- The north/south crosswalk on the east side of 156 Street at 100 Avenue will be closed; pedestrians are asked to use the west sidewalk.
- Street parking will be removed from 156 Street and Stony Plain Road.

Stony Plain Road and 156 Street Intersection to 100 Avenue - Phase One

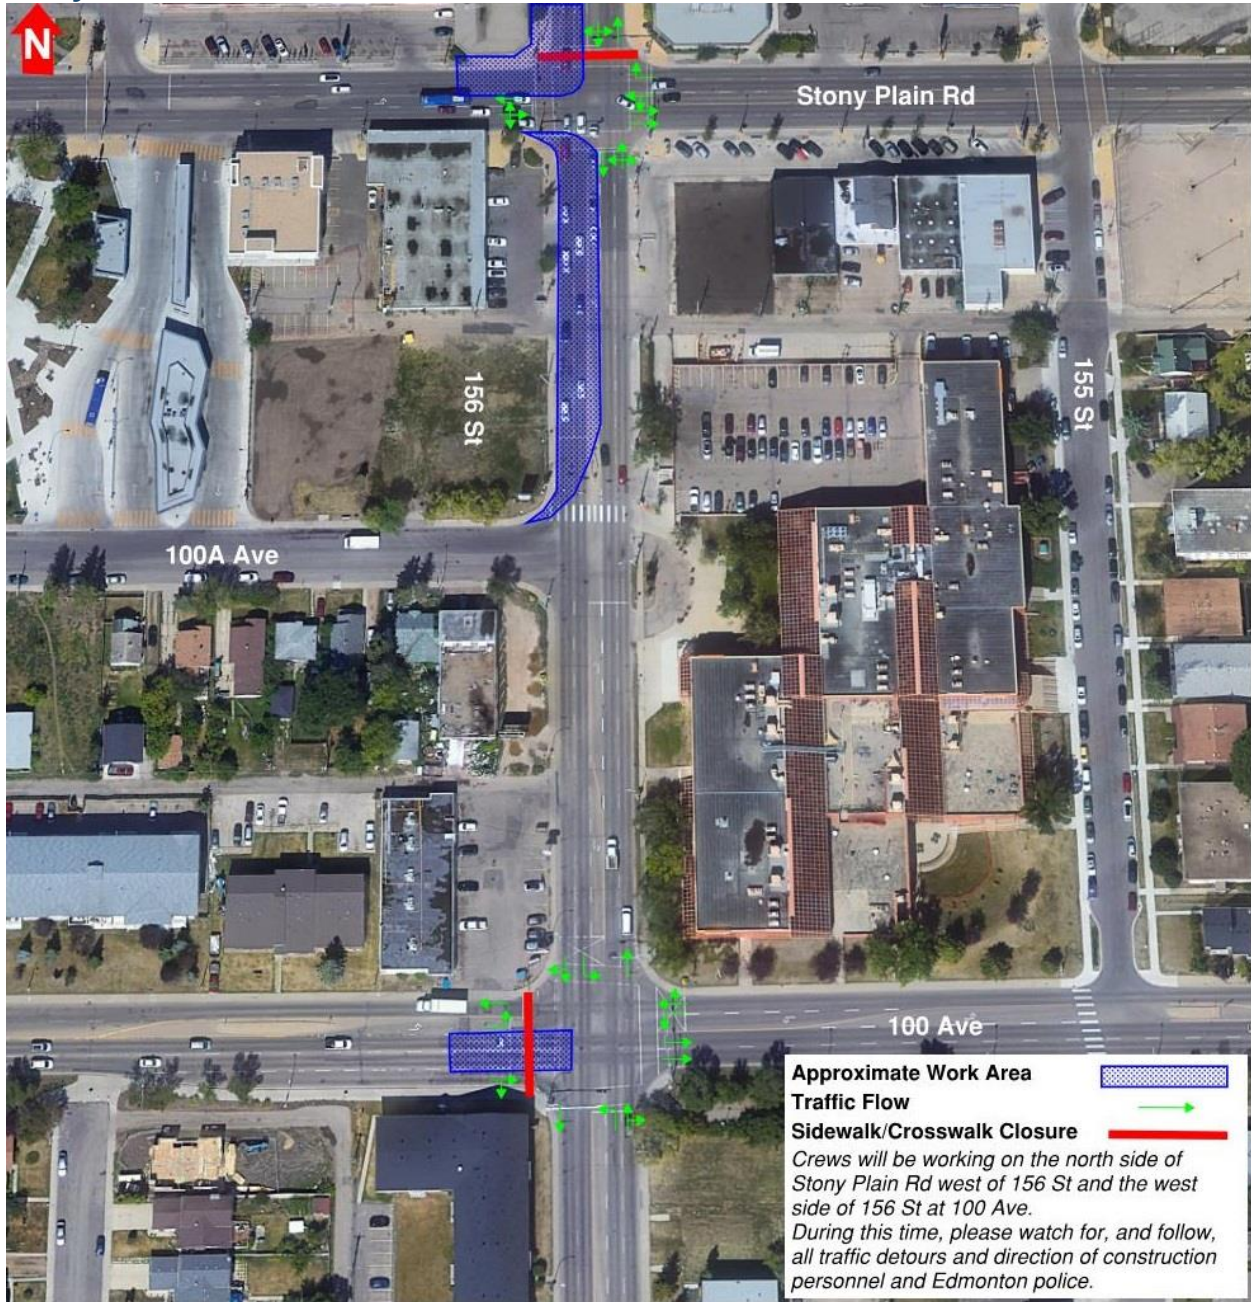

Phase Two

- Crews will be working on the north side of Stony Plain Road, west of 156 St.
- Traffic on Stony Plain Road west of 156 Street will be shifted south and reduced to one lane in either direction.
- The east/west crosswalk on the north side of the intersection will be closed; pedestrians are asked to use the south crosswalk.
- Traffic on 156 Street will be shifted east and reduced to a single lane in either direction.
- Crews will also be working on the west side of 156 Street at 100 Avenue.

- The north/south crosswalk on the west side of 156 Street at 100 Avenue will be closed; pedestrians are asked to use the west sidewalk.
- Street parking will be removed from 156 Street and Stony Plain Road.

Stony Plain Road and 156 Street Intersection to 100 Avenue - Phase Two

Construction will primarily occur during the day (7 a.m. to 9 p.m. Monday through Saturday and 9 a.m. to 7 p.m. Sunday), however, occasional overnight work may be necessary. The public will be notified in advance of this work. This traffic pattern will be maintained during peak, off-peak, and overnight hours.

There will be noise associated with this work. Every effort will be made to reduce the impact to the public.

Marigold Infrastructure Partners is committed to following all City of Edmonton bylaws and regulations and have obtained an overnight roadwork permit so that work can take place during nighttime hours to minimize major daytime traffic disruptions. *City of Edmonton Bylaw C14600.

The information in this bulletin is current to June 15, 2022. Please note that all dates are approximate and weather dependent. We thank you for your patience during construction of the Valley Line West LRT project. Marigold Infrastructure Partners is excited to be a part of Edmonton's economic recovery.
