

Construction Notice

Roadway Construction on 87 Avenue Between 159 Street and 182 Street AREA 6

This Summer, Marigold Infrastructure Partners will begin roadway construction on 87 Avenue to facilitate construction of the elevated guideway. This work will take place between 159 Street and 182 Street.

To accommodate this, crews will be working in several areas simultaneously. Motorists can expect lanes to shift around the various work sites periodically. Marigold will endeavour to main two lanes of traffic in either direction, however, there will be occasional lane reductions while construction occurs. Turn movements will be maintained.

Pedestrian access will be maintained during construction however, some detours may occur. Please watch for wayfinding signage in the area for direction.

Construction will primarily occur during the day (7 a.m. to 9 p.m. Monday through Saturday and 9 a.m. to 7 p.m. Sunday), however, occasional overnight work may be necessary. The public will be notified in advance of this work. This traffic pattern will be maintained during peak, off-peak, and overnight hours and will be in place until construction of the elevated guideway is complete (~2025).

To accommodate this work, the public will be impacted in the following areas:

- There will be increased construction traffic to the worksites.
- Work will primarily occur during daytime hours (7 a.m. – 9 p.m. Monday - Saturday, 9 a.m. – 7 p.m. Sundays).
- Occasional overnight work may be necessary. Marigold will inform the public ahead of these works.
- Crews will be working on 87 Avenue between 159 Street and 182 Street.
- Traffic may be shifted around work sites on 87 Avenue.
- Generally, two lanes of traffic in either direction will be maintained, however, there may be occasional lane reductions.
- Turn movements will be maintained.
- Pedestrian access will be maintained during construction however, some detours may occur. Please watch for wayfinding signage in the area for direction.
- There will be noise associated with this work such as that of heavy equipment and concrete/asphalt removals. Marigold is aware of the nearby businesses and residents and will make every effort to reduce disruptions such as scheduling louder work to occur during daytime hours, where applicable.

87 Avenue Between 159 Street and 182 Street

Marigold Infrastructure Partners is committed to following all City of Edmonton bylaws and regulations and will obtain an overnight roadwork permit so that work can take place during nighttime hours to minimize major daytime traffic disruptions. *City of Edmonton Bylaw C14600.

The information in this bulletin is current to June 15, 2022. Please note that all dates are approximate and weather dependent. We thank you for your patience during construction of the Valley Line West LRT project. Marigold Infrastructure Partners is excited to be a part of Edmonton's economic recovery.
