

Construction Notice

Misericordia Station Span Installation

Area 6

Beginning on or around **February 19, 2024**, Marigold crews will begin installation of the concrete spans that will connect Misericordia Station and the rest of the elevated guideway.

The spans will be installed in the presence of a rotary drilling rig, piling rig, cranes, loaders, tandem dump trucks, and ready-mix concrete trucks.

There will be noise associated with this work, such as that of heavy equipment, hammering, and crew communications. While noise is unavoidable in any construction project, Marigold is committed to minimizing the disturbance to the public.

Construction will occur during overnight hours (9 p.m. to 7 a.m.) and is expected to last one month.
