On or around **June 26, 2023**, Marigold Infrastructure Partners will begin work to widen 104 Avenue between 112 Street and 116 Street to accommodate upcoming drainage activities.

This work will be performed in two phases. Access to Unity Square will be maintained; however, restrictions will be in place. Motorists can expect short-term traffic interruptions to/from Unity Square at 114 Street.

During Phase One, left turns (eastbound to northbound) from 104 Avenue at 114 Street will be banned.

Please follow directional signage in the area.

Pedestrian access will be maintained; however, detours may be implemented. Please follow project wayfinding signage.

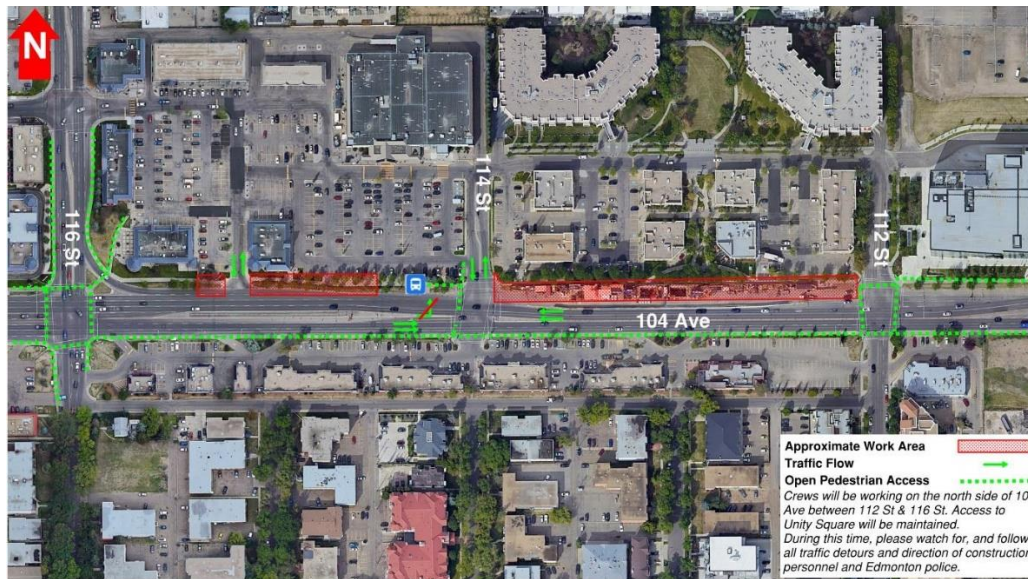

Construction will occur during off-peak daytime and overnight hours (9 a.m. to 3 p.m. and 9 p.m. to 6 a.m.) Work areas will be secured and re-opened at the end of each shift.

This work is expected to last three weeks.

Marigold Infrastructure Partners is committed to following all City of Edmonton bylaws and regulations and will obtain an overnight roadwork permit so that work can take place during nighttime hours to minimize major daytime traffic disruptions. *City of Edmonton Bylaw C14600.
