

## Construction Notice

### Temporary Lane Closures on Meadowlark Road between 87 Avenue and 88A Avenue AREA 5

On or around April 26, 2022, Marigold Infrastructure crews will begin removing the centre medians on Meadowlark Road between 87 Avenue and 88A Avenue to facilitate construction of Valley Line West. Once the medians are removed, the area will be temporarily paved to prepare the site for upcoming roadworks.

To accommodate this work, there will be temporary, short-term lane restrictions on Meadowlark Road between 87 Avenue and 88A Avenue. Construction will occur during off-peak daytime hours (9 a.m. to 3 p.m.) and *may* occur during off-peak overnight (7 p.m. to 7 a.m.) as well. Marigold will make every effort to reduce the impact to the public, such as scheduling the most disruptive to work to occur during daytime hours, where possible.

This work is expected to last approximately one week.

### Meadowlark Road between 87 Avenue and 88A Avenue

## To accommodate this work, the public will be impacted in the following areas:

- Temporary, short term lane restrictions on Meadowlark Road between 87 Avenue and 88A Avenue.
- Lane restrictions will occur 9 a.m. to 3 p.m. and 7 p.m. to 7 a.m.
- There will be noise associated with this work, such as that created by saw cutting concrete and vehicle noise. Every effort will be made to reduce the impact to the public.
- This work is expected to last approximately one week.

Marigold Infrastructure Partners is committed to following all City of Edmonton bylaws and regulations and has obtained an overnight roadwork permit so that work can take place during nighttime hours to minimize major daytime traffic disruptions. \*City of Edmonton Bylaw C14600.

*The information in this bulletin is current to April 19, 2022. Please note that all dates are approximate and weather dependent. We thank you for your patience and understanding during the construction of the Valley Line West LRT project. Marigold Infrastructure Partners is excited to be a part of Edmonton's economic recovery.*
