

Construction Notice

Minor Lane Closures for Tree Removals in Area 3 (Stony Plain Road/104 Avenue Between 139 Street and 121 Street, and on 102 Avenue at 139 Street) Area 3

Beginning on or around October 3, 2022, Marigold Infrastructure crews will begin preparing Area 3 of the Valley Line West alignment for construction (Stony Plain Road/104 Avenue between 139 Street and 121 Street). Work will also occur on Groat Road near the Stony Plain Road bridge. This includes:

- Removal of ~300 City-owned trees
- Pruning of roots and branches if in conflict with excavation
- Installation of protection fences (around trees within 20m of construction)
- Hydrovac assisted utility location investigation.

This work will not be fixed to one location. Crews will move from site-to-site between 139 Street on Stony Plain Road/104 Avenue to 121 Street and on Groat Road near the Stony Plain Road bridge.

Crews will do their best to work on the boulevards adjacent to the trees; however, temporary parking and traffic interruptions may occur. Any traffic interruptions will occur during off-peak hours (9 a.m. to 3 p.m.); however, construction activities may take place between 7 a.m. and 9 p.m. Pedestrians may be detoured while the work occurs. Please follow area wayfinding signage and the direction of construction personnel.

Marigold is committed to the City of Edmonton Corporate Tree Management Policy. Vegetation that is temporarily or permanently lost due to LRT construction will be relocated or replaced. Marigold will replant more than 1,800 new trees guided by full landscaping plans. These plans will incorporate native trees and shrubs and will commence following construction.

Impacts to the public will include:

Drivers

- Temporary, short-term traffic interruptions. These interruptions could last for 15 minutes to three hours at each location and will take place between 139 Street on Stony Plain Road/104 Avenue to 121 Street, and on Groat Road near the Stony Plain Road bridge during off-peak hours (9 a.m. to 3 p.m.).

Pedestrians

- Pedestrians may be detoured. Please follow area wayfinding signage and/or the direction of construction personnel.

Other Impacts

- Construction activities may occur between 7 a.m. and 9 p.m.
- This work is expected to last one month.
- There may be noise associated with this work. Specifically, that of a hydrovac truck and saw cutting.
