

Construction Notice

Temporary Lane Closures at the Intersection of 142 Street and Stony Plain Road

On or around August 2, 2022, Marigold Infrastructure crews will begin removing the centre medians and the concrete of the right turn bay at northbound 142 Street onto Stony Plain Road. Once the concrete is removed, the area will be temporarily paved to prepare the site for upcoming Valley Line West Construction.

To accommodate this work, there will be temporary, short-term traffic interruptions at the Stony Plain Road and 142 Street intersection. At times, the turn lanes adjacent to the median being removed may be closed, however, turns will be permitted.

Pedestrian access will be maintained. Marigold will have flaggers on hand to assist pedestrians while work occurs and will provide a walking path once the work is complete.

This work, and the associated traffic interruptions will occur during off-peak hours (9 a.m. - 3 p.m.), and during overnight hours (7 p.m. - 6 a.m.)

This work is expected to last approximately one week.

To accommodate this work, the public will be impacted in the following areas:
