

## Construction Notice

### Access Closure at 189 Street on 87 Avenue Area 6

On or around **October 8, 2025**, Marigold crews will be reconstructing the concrete rail crossing (trackslab) at 189 St and 87 Ave. Work must be completed now to take advantage of favourable weather before track crews shut down for the season and maintain the project's overall timeline.

To accommodate this, access to/from 87 Avenue from the south side of 189 Street will be closed. Access to/from the south side of 87 Avenue at 182 Street will reopen before 189 Street closes. Motorists are asked to use 182 Street as an alternate route. Eastbound and westbound traffic on 87 Avenue is also reduced to a single lane in either direction between 182 Street and 189 Street.

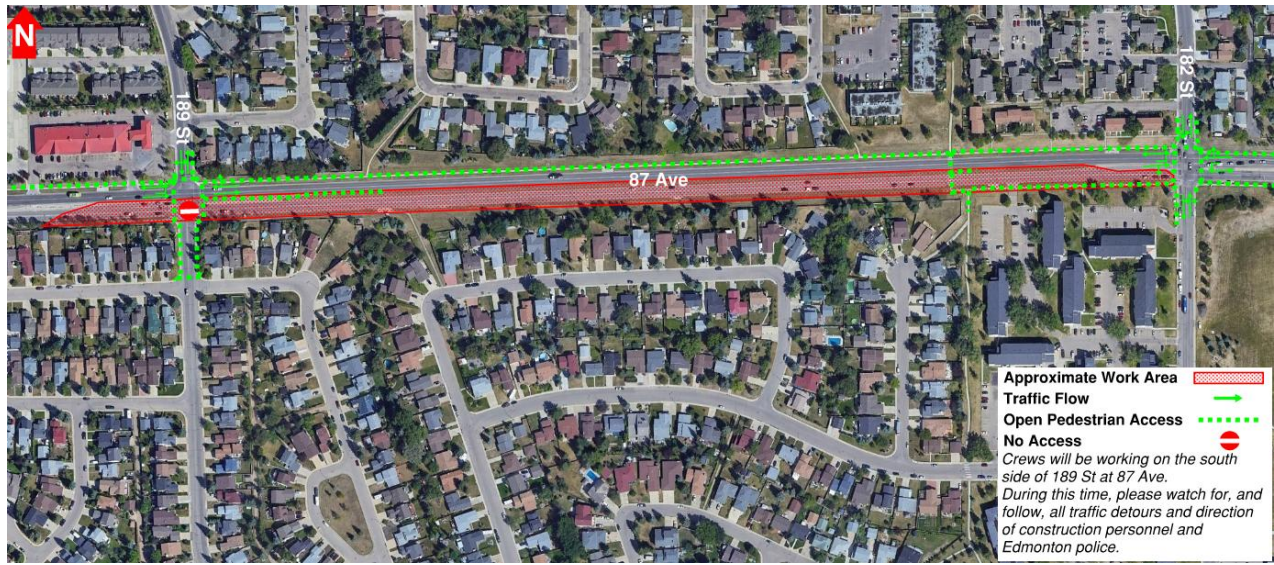

Eastbound and westbound pedestrian access along 87 Avenue will be maintained on the north side of the road. Please follow project wayfinding signage.

Construction will occur during the day (7 a.m. to 9 p.m. Monday through Saturday and 9 a.m. to 7 p.m. Sunday). This traffic pattern will remain in place until the work is complete.

This work is expected to last four weeks.

Marigold Infrastructure Partners and the City of Edmonton acknowledge that this work creates additional inconvenience to motorists and area residents and would like to thank you for your ongoing patience and understanding as we continue to build this transformative infrastructure project.
