

Construction Notice

Anthony Henday LRT Bridge Construction Prep Area 7

On or around **October 12, 2022**, Marigold Infrastructure crews will begin preparatory works to construct the LRT bridge over Anthony Henday Drive on the south side of 87 Avenue.

On Anthony Henday Drive, cable barriers in the center will be removed and concrete barriers will be placed on the road shoulder. Some existing streetlighting will be removed and temporary lighting installed. Once this work is complete, Marigold crews will begin building a pad for future construction and piling work.

At this time, Marigold will also begin construction laydown areas on the east and west side on Anthony Henday Drive, adjacent to the work site.

To accommodate this work, the speed limit on Anthony Henday Drive will be reduced to 80 km/h within the work area.

Pedestrian access across Anthony Henday Drive will be maintained on the bridge.

Construction will primarily occur during the day (7 a.m. to 9 p.m. Monday through Saturday and 9 a.m. to 7 p.m. Sunday), however, occasional overnight work may be necessary. The public will be notified in advance of this work. The speed reduction will remain in place during peak, off-peak, and overnight hours.

This work is expected to last two months.

Impacts to the Public:

Drivers:

- Northbound and southbound traffic on Anthony Henday Drive will be reduced to 80km/h within the work area.
- The speed reduction will remain in place during peak, off-peak, and overnight hours.

Pedestrians:

- Pedestrian access across Anthony Henday Drive will be maintained.

Other Impacts:

- There will be noise associated with this work. Every effort will be made to reduce the impact to the public.
- This work is expected to last two months.
