- East/west traffic is detoured to 102 Avenue or 107 Avenue.
- North/south access across Stony Plain Road will be maintained on 134 Street.

#### **Pedestrians:**

- East/west pedestrian access on Stony Plain Road between 131 Street and 139 Street will be closed until the end of August.
- North/south pedestrian access will be maintained at 132 Street, 134 Street, 136 Street, and 138 Street. Please follow project wayfinding signage.

#### **Other impacts:**

- There will be noise associated with this work including that of heavy equipment and increased construction vehicle traffic in the area. Every effort will be made to reduce the impact to the public.
- Construction on Stony Plain Road will primarily occur during daytime hours; however, some overnight work may be necessary.
- This road closure is expected to last until the end of August; however, construction will be ongoing until completion.
