Utility Relocations on 156 Street/Meadowlark Road between 87 and 92 Avenue AREA 5

Starting on or around March 8, 2022, Marigold crews will resume works to relocate the utility line along Meadowlark Road/156 Street between 87 and 92 Avenue. This is a continuation of work that began in the Fall of 2021 to shift the utility line from the middle of Meadowlark Road/156 Street toward the west service road.

Work will be performed within a Moving Work Zone - work will not be fixed to one location but will move from site-to-site, travelling from north to south along the service road, and is expected to last approximately one week on each block.

Residents can expect temporary parking bans on the service road, periodic lane reductions on Meadowlark Road/156 Street down to one lane in either direction, and pedestrian detours to the east side of the road. This project will occur during daytime hours (7 a.m. – 9 p.m.) and is expected to last two months.
