BUILDING EDMONTON

Valley Line West LRT

Construction Notice

Overnight Work on 102 Avenue between 107 Street and 102 Street
AREA 1

UPDATE – September 28, 2026 – This work has been extended to last until the end of the year.

This is a supplemental area notice for work previously mentioned in the following notice: Temporary Full Closure of 102 Avenue between 107 Street and 102 Street

On or around **May 28, 2025**, Marigold crews will begin periodic overnight work on 102 Avenue between 107 Street and 102 Street, in addition to the ongoing daytime works.

Vehicle access on 102 Avenue between 107 Street and 102 Street has been temporarily closed, and north/south access is currently maintained at 104 Street.

Pedestrian access is maintained; however, detours are in place. Please follow project wayfinding signage in the area.

Work will occur during overnight hours (9 p.m. to 6 a.m., Monday through Saturday and 7 p.m. to 7 a.m. Sunday) and is expected to last until fall 2026.

This work can involve continuous or lengthy processes such as concrete pours, utility work, and roadway construction. We at Marigold incorporate noise mitigation measures for construction activities where possible. Marigold makes every effort to mitigate disruptions, where possible, including but not limited to:

- Incorporating noise mitigation measures for construction activities
- Tailoring noise mitigation to the location and kind of construction activity
- Scheduling noisier work for daytime hours
- Limiting the size of equipment, where feasible
- Regular equipment inspections and proper mufflers
- Adjusting work methods
- Changing back-up alerts to strobe lights instead of beeping

To accommodate this work, the public will be impacted in the following areas:

Drivers:

- Traffic on 102 Avenue between 107 Street and 102 Street has been temporarily fully closed.
- North/south access across 102 Avenue is currently maintained at 104 Street.

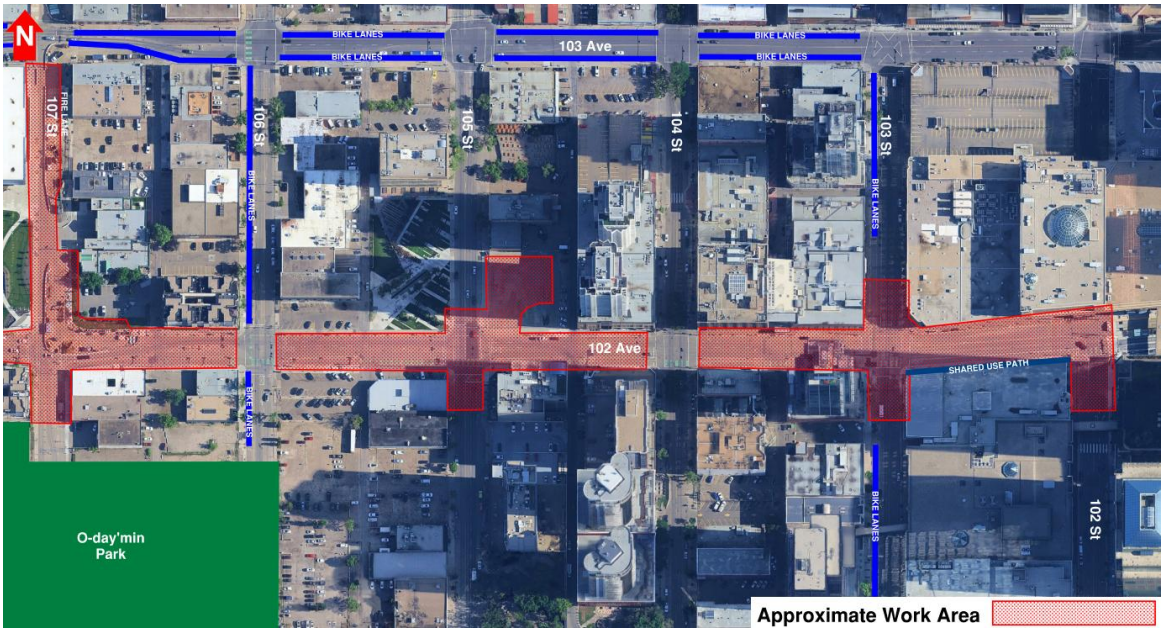

Pedestrians:

- Pedestrian access will be maintained; however, detours may be in place.
- Please observe all project wayfinding signage in the area.

Other impacts:

- Work will occur during overnight hours (9 p.m. to 6 a.m., Monday through Saturday and 7 p.m. to 7 a.m. Sunday).
- There will be noise associated with this work including that of heavy equipment and increased construction vehicle traffic in the area. Every effort will be made to reduce the impact to the public.
- Information about Marigold's approach to Noise and Vibration can be found here.
- This work will require the use of light plants. Crews will ensure that these lights are not directed into traffic or residences.
- This work is expected to last until fall 2026.
