

Construction Notice

Traffic Shift on 149 Street at Stony Plain Road

AREA 4

Update - October 31, 2024 – Crews are pushing to complete as much permanent works as possible, while the weather cooperates. This work is expected to continue until mid-November, at which time, Marigold intends to open as many lanes and accesses as possible until Spring 2025.

On **August 29, 2024**, Marigold Infrastructure Partners resumed drainage and road works at the southwest corner of 149 Street and Stony Plain Road.

To accommodate this, traffic will be shifted away from the work zone. On 149 Street, northbound and southbound traffic will be shifted east and a single lane in either direction will be maintained. On Stony Plain Road, eastbound and westbound traffic is shifted north and one lane in either direction will be maintained. All turn movements are maintained.

The west and south crosswalks at this intersection will be closed. Pedestrian access will be maintained at the east and north crosswalks, as well as at the intersection of 100 Avenue and 149 Street. Please follow project wayfinding signage.

Construction will primarily occur during the day (7 a.m. to 9 p.m. Monday through Saturday and 9 a.m. to 7 p.m. Sunday); however, some overnight work may be required. The public will be notified in advance of this work.

This work is expected to last until October 31.

To accommodate this work, the public will be impacted in the following areas:

Drivers:

- Traffic on 149 Street near Stony Plain Road will be shifted east.
- Traffic on Stony Plain Road near 149 Street is shifted north.
- On 149 Street, one lane of traffic in either direction will be maintained.
- On Stony Plain Road, one lane of traffic in either direction will be maintained.
- Turn movements will be maintained throughout the area.

Pedestrians:

- The west and south crosswalks at this intersection will be closed.
- Pedestrian access will be maintained within the east and north crosswalks.
- Please follow project wayfinding signage.

Other impacts:

- Construction will primarily occur during the day (7 a.m. to 9 p.m. Monday through Saturday and 9 a.m. to 7 p.m. Sunday).
- There will be noise associated with this work. Every effort will be made to reduce the impact to the public.
- This work is expected to last until October 31.
