Overnight Work on Valley Line West Elevated Guideway (87 Avenue between 170 Street and 178 Street) AREA 6

Marigold crews are currently performing overnight concrete works on the elevated guideway on 87 Avenue between 170 Street and 178 Street.

There will be no further impacts to vehicle traffic to accommodate this work.

Pedestrian access is maintained; however, detours are in place. Please follow project wayfinding signage in the area.

Work will occur during overnight hours (9 p.m. to 6 a.m., Monday through Saturday and 7 p.m. to 7 a.m. Sunday) and is expected to last until the end of December.

This work can involve continuous or lengthy processes such as concrete pours and the use of hand tools. We at Marigold incorporate noise mitigation measures for construction activities where possible. Marigold makes every effort to mitigate disruptions, where possible, including but not limited to:

- Incorporating noise mitigation measures for construction activities
- Tailoring noise mitigation to the location and kind of construction activity
- Scheduling noisier work for daytime hours
- Limiting the size of equipment, where feasible
- Regular equipment inspections and proper mufflers
- Adjusting work methods
- Changing back-up alerts to strobe lights instead of beeping, where possible

To accommodate this work, the public will be impacted in the following areas:

Drivers:

- Traffic on 87 Avenue between 170 Street and 178 Street will not be impacted by this work.

Pedestrians:

- Pedestrian access will not be impacted by this work.
- Please observe all project wayfinding signage in the area.

Other impacts:

- Work will occur during overnight hours (9 p.m. to 6 a.m., Monday through Saturday and 7 p.m. to 7 a.m. Sunday).
- There will be noise associated with this work and increased construction vehicle traffic in the area. Every effort will be made to reduce the impact to the public.
- Information about Marigold's approach to Noise and Vibration can be found [here](#).
- This work will require the use of light plants. Crews will ensure that these lights are not directed into traffic or residences.
- This work is expected to last until the end of December.
