

## Construction Notice

### Roadworks on Meadowlark Road and 156 Street Between 88A and 92 Avenue AREA 5

In mid-July, Marigold crews will begin roadworks on Meadowlark Road/156 Street between 88 and 100 Avenue. Works will occur simultaneously along Meadowlark Road/156 Street, beginning on the east side of Meadowlark Road/156 Street between 88A and 92 Avenue.

To accommodate this work, traffic will be shifted to the west side of the road and reduced to single-lane traffic in either direction. There will also be no access to Meadowlark Road via the north Meadowlark Mall access or from 90 Avenue until this work is complete. Residents can expect temporary parking bans and pedestrian detours in work areas.

Construction will primarily occur during the day (7 a.m. to 9 p.m. Monday through Saturday and 9 a.m. to 7 p.m. Sunday), however, occasional overnight work may be necessary. The public will be notified in advance of this work.

This traffic pattern will be maintained during peak, off-peak, and overnight hours and is expected to last until the end of 2022.

#### **To accommodate this work, the public will be impacted in the following areas:**

- Traffic will be shifted west and reduced to a single lane in either direction.
- There will be no access to Meadowlark Road from the north Meadowlark Mall entrance or from 90 Avenue.
- Pedestrian traffic will be maintained; temporary detours may be in place, please observe all signage in the area.
- There will be parking restrictions in place while the work occurs.
- There will be noise associated with this work such as that of heavy equipment and the removal of concrete and asphalt. Every effort will be made to reduce the impact to the public.
- This work will primarily occur during daytime hours; however, some overnight work may be necessary.
- This work is expected to last until the end of 2022.

Marigold Infrastructure Partners is committed to following all City of Edmonton bylaws and regulations and will obtain an overnight roadwork permit so that work can take place during nighttime hours to minimize major daytime traffic disruptions. \*City of Edmonton Bylaw C14600.
