

Construction Notice

Herbicide Spraying along Valley Line West LRT Alignment

AREA 10

Construction of the Valley Line West LRT continues. Weather permitting, Marigold crews will soon begin hand spraying herbicide Trillion at various locations along the alignment to manage noxious weeds.

Trillion is effective at combatting noxious weeds. Marigold has obtained a permit for this work and is compliant with all local regulations. The treatment will be sprayed by a licensed applicator, and signage will be displayed in the vicinity when spraying. Strict safety precautions are taken to protect the public, employees and environmental health.

There will be no impacts to vehicular and pedestrian traffic in the area. Please follow all project wayfinding signage in the area.

This work will be occurring during daytime hours (7 a.m. – 9 p.m. Monday – Saturday, 9 a.m. – 7 p.m. Sundays), until the work is complete. This work is expected to take place periodically until September 1, 2026.

To accommodate this work, the public will be impacted in the following areas:

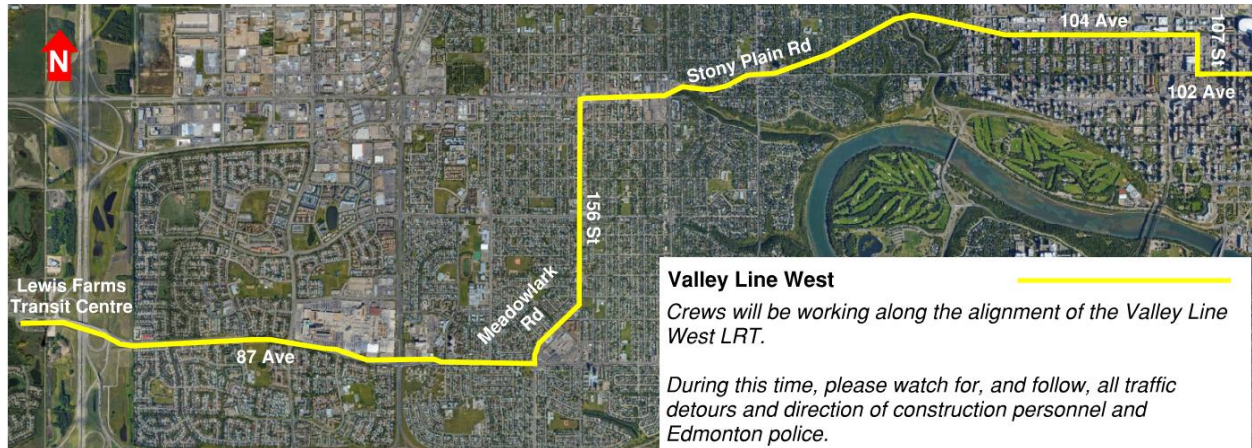

Drivers & Pedestrians:

- There will be no impacts to vehicular and pedestrian traffic in the area.
- Strict safety precautions are taken to protect the public.

Other impacts:

- Work will occur during daytime hours (7 a.m. – 9 p.m. Monday – Saturday, 9 a.m. – 7 p.m. Sundays).
- Trillion is effective at combatting noxious weeds and will be sprayed by a licensed applicator.
- Marigold has obtained a permit for this work and is compliant with all local regulations.
- Signage will be displayed in the vicinity when spraying. There will be no adverse effects on surrounding plants or pets, as the spray dries within minutes.
- This work is expected to take place periodically until September 1, 2026.

Valley Line West LRT Alignment

The information in this bulletin is current to May 25, 2026. Please note that all dates are approximate and weather dependent. We thank you for your patience during construction of the Valley Line West LRT project.
