## Construction Notice

### Overnight Pole Installation on Stony Plain Road between 149 Street and 146 Street (Eastbound)

### Area 4

On **July 24, 2026,** Marigold crews will be installing streetlight and traffic signal poles on Stony Plain Road between 149 Street and 146 Street during overnight hours (9 p.m. to 6 a.m.).

To accommodate this, eastbound traffic on Stony Plain Road will be detoured to 107 Avenue at 149 Street. Motorists are asked to use 142 Street to access Stony Plain Road. Flagging staff will be on site to maintain vehicle and pedestrian traffic. Work will progress eastward from the east side of the 149 Street and Stony Plain Road intersection to 146 Street. This work is expected to last one night.

Marigold makes every effort to mitigate disruptions, where possible, including but not limited to:

- Incorporating noise mitigation measures for construction activities
- Tailoring noise mitigation to the location and kind of construction activity
- Limiting the size of equipment, where feasible
- Regular equipment inspections and proper mufflers
- Adjusting work methods
- Changing back-up alerts to strobe lights instead of beeping, where possible

## To accommodate this work, the public will be impacted in the following areas:

### Drivers:

- Eastbound traffic on Stony Plain Road between 149 Street and 146 Street will be closed.
- Eastbound traffic will be detoured to 107 Avenue at 149 Street.
- Motorists are advised to use 142 Street to access Stony Plain Road.
- Flagging staff will be on hand to assist vehicle movements.
- Work will begin at 149 Street progressing eastbound to 146 Street.

### Pedestrians:

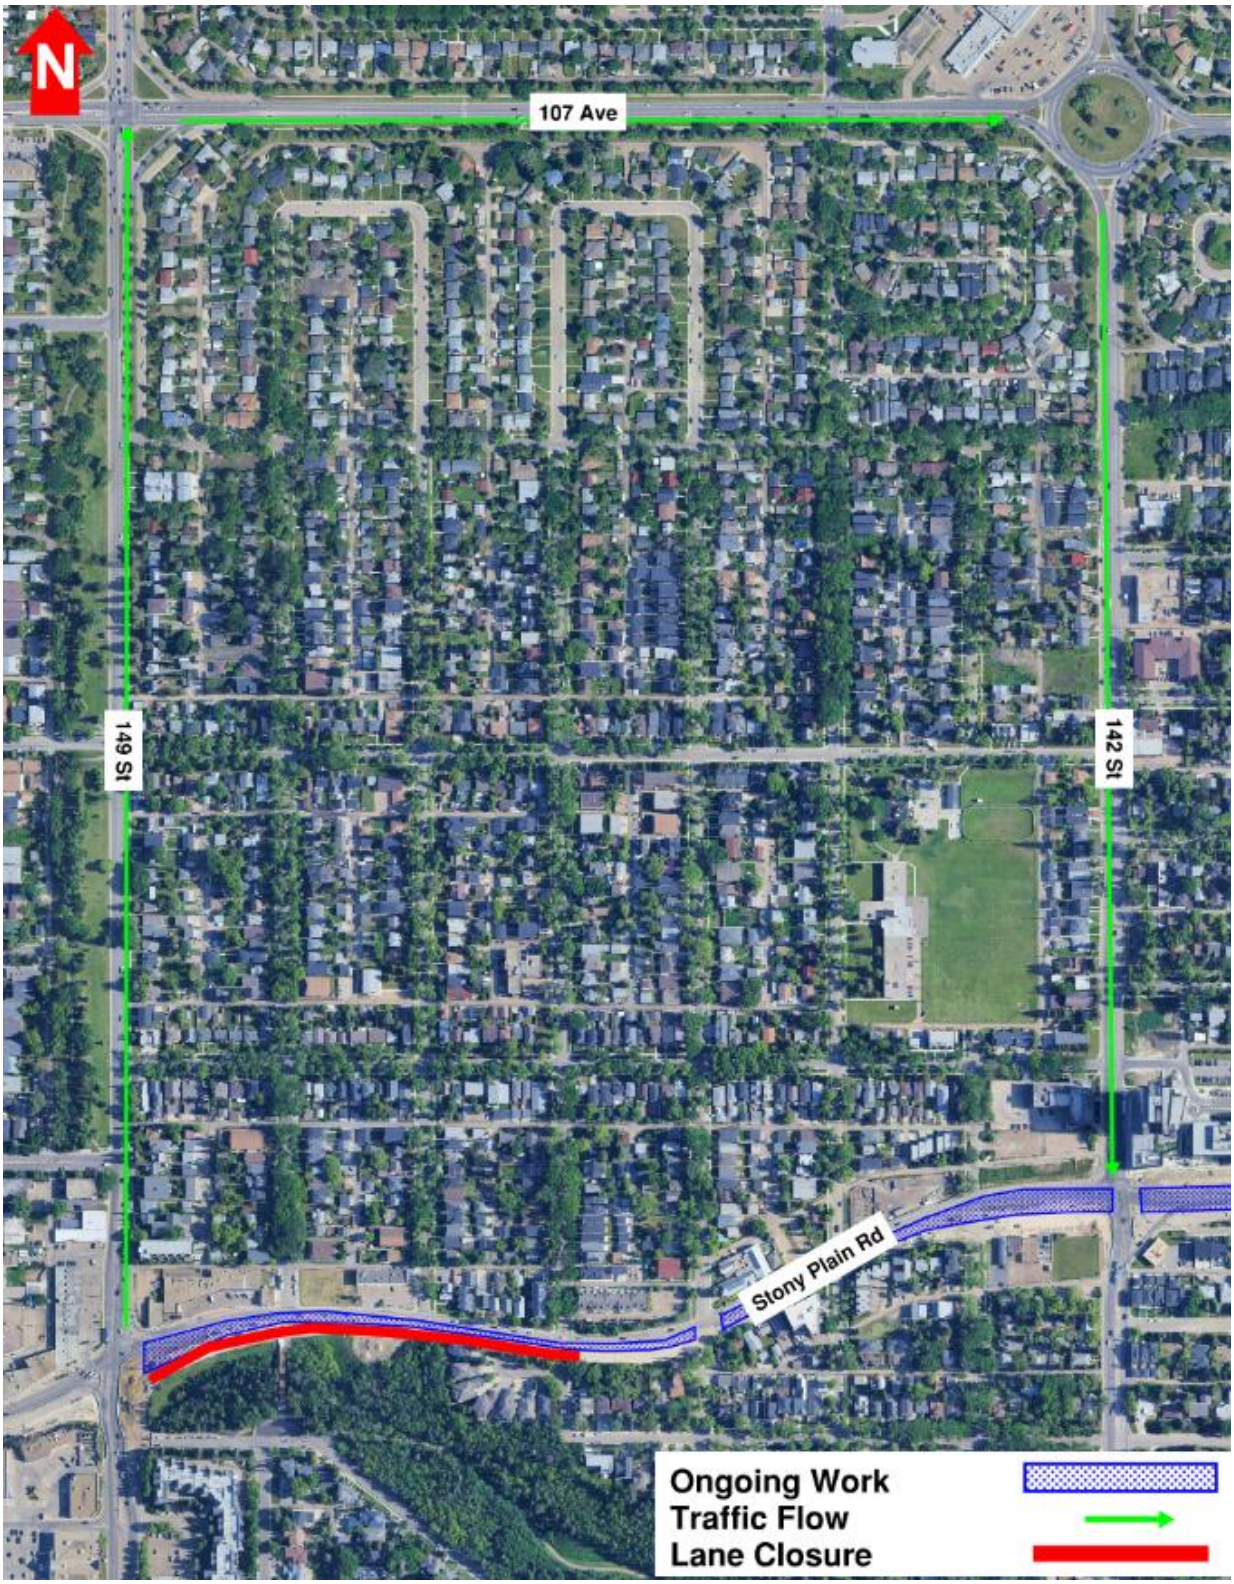

- Pedestrian access will be maintained; flagging staff will be on hand to assist pedestrian movements.

### Other impacts:

- Work will occur during overnight hours (9 p.m. to 6 a.m.).
- There will be noise associated with this work. Every effort will be made to reduce the impact to the public.
- This work is expected to last one night.

Marigold Infrastructure Partners is committed to following all City of Edmonton bylaws and regulations and has obtained an overnight roadwork permit so that work can take place during nighttime hours to minimize major daytime traffic disruptions. *City of Edmonton Bylaw C14600.

## 149 Street to 146 Street

*The information in this bulletin is current to July 10, 2026. Please note that all dates are approximate and weather dependent. We thank you for your patience and understanding during the construction of the Valley Line West LRT project.*
