BUILDING EDMONTON

Valley Line West LRT

Construction Notice

Off-peak Daytime and Overnight Lane Closures on Stony Plain Road between 124 Street and 139 Street
Area 3

UPDATE – September 28, 2026 – This work has been extended to the end of the year.

On Stony Plain Road, construction of the Valley Line West LRT continues. To facilitate trackwork and Glenora Stop construction, sections of Stony Plain Road between 124 Street and 139 Street will be reduced to a single shared lane during daytime off-peak hours (9 a.m. to 3 p.m. Monday through Friday and 7 a.m. to 5 p.m. Saturday) and overnight hours (7 p.m. to 5 a.m. Monday through Friday). Where this is not possible, traffic will be detoured around the worksite.

To accommodate this:

- Sections of the eastbound lane or westbound lane on Stony Plain Road between 124 Street and 139 Street will be closed during daytime off-peak hours (9 a.m. to 3 p.m. Monday through Friday and 7 a.m. to 5 p.m. Saturday) and overnight hours (7 p.m. to 5 a.m. Monday through Friday).
- Eastbound and westbound traffic will share a lane.
- Where this is not possible, traffic will be detoured around the worksite.
- Flagging staff will be present to maintain traffic.
- While this work takes place, access to/from Stony Plain Road from streets and alleys adjacent to the work will be closed during daytime off-peak hours (9 a.m. to 3 p.m. Monday through Friday and 7 a.m. to 5 p.m. Saturday) and overnight hours (7 p.m. to 5 a.m. Monday through Friday).
- The traffic configuration during these closures will be similar to that shown in this notice *Lane Closures on Stony Plain Road*.

Pedestrian access will be maintained; however, detours may be in place. Flagging staff will be present to assist pedestrian movements.

This work will occur during daytime off-peak and overnight hours and is expected to last until Fall 2026.

Marigold makes every effort to mitigate disruptions, where possible, including but not limited to:

- Incorporating noise mitigation measures for construction activities
- Tailoring noise mitigation to the location and kind of construction activity
- Limiting the size of equipment, where feasible
- Regular equipment inspections and proper mufflers
- Adjusting work methods
- Changing back-up alerts to strobe lights instead of beeping, where possible

To accommodate this work, the public will be impacted in the following areas:

Drivers:

- Sections of the eastbound lane or westbound lane on Stony Plain Road between 124 Street and 139 Street will be closed during daytime off-peak hours (9 a.m. to 3 p.m. Monday through Friday and 7 a.m. to 5 p.m. Saturday) and overnight hours (7 p.m. to 5 a.m. Monday through Friday).
- Eastbound and westbound traffic will share a lane.
- Where this is not possible, traffic will be detoured away from the worksite.
- Access to/from Stony Plain Road from streets and alleys adjacent to the work will be closed during daytime off-peak and overnight hours. Please follow area wayfinding signage.
- Flagging staff will be present to maintain traffic.
- Drivers can expect traffic delays.

Pedestrians:

- Pedestrian access will be maintained; however, detours will be in place.
- Flagging staff will be present to assist pedestrian movements.
- Please follow project wayfinding signage.

Other impacts:

- Work will occur during daytime off-peak hours (9 a.m. to 3 p.m. Monday through Friday and 7 a.m. to 5 p.m. Saturday) and overnight hours (7 p.m. to 5 a.m. Monday through Friday).
- There will be noise associated with this work. Every effort will be made to reduce the impact to the public.
- This work is expected to last until Fall 2026.

Marigold Infrastructure Partners is committed to following all City of Edmonton bylaws and regulations and has obtained an overnight roadwork permit so that work can take place during nighttime hours to minimize major daytime traffic disruptions. *City of Edmonton Bylaw C14600.

Stony Plain Road Between 124 Street and 138 Street

The information in this bulletin is current to September 28, 2026. Please note that all dates are approximate and weather dependent. We thank you for your patience and understanding during the construction of the Valley Line West LRT project.
