

Construction Notice

Lane Reduction and Access Closure on 87 Avenue at 189 Street

In mid-August, Marigold Infrastructure crews will begin construction on the stormwater line on 87 Avenue on either side of 189 Street.

To accommodate this, traffic will be shifted around the construction sites and reduced to a single lane in either direction. Additionally, access to 189 Street south and north will be closed.

Construction will primarily occur during the day (7 a.m. to 9 p.m. Monday through Saturday and 9 a.m. to 7 p.m. Sunday), however, occasional overnight work may be necessary. Traffic interruptions will occur during peak, off-peak, and overnight hours.

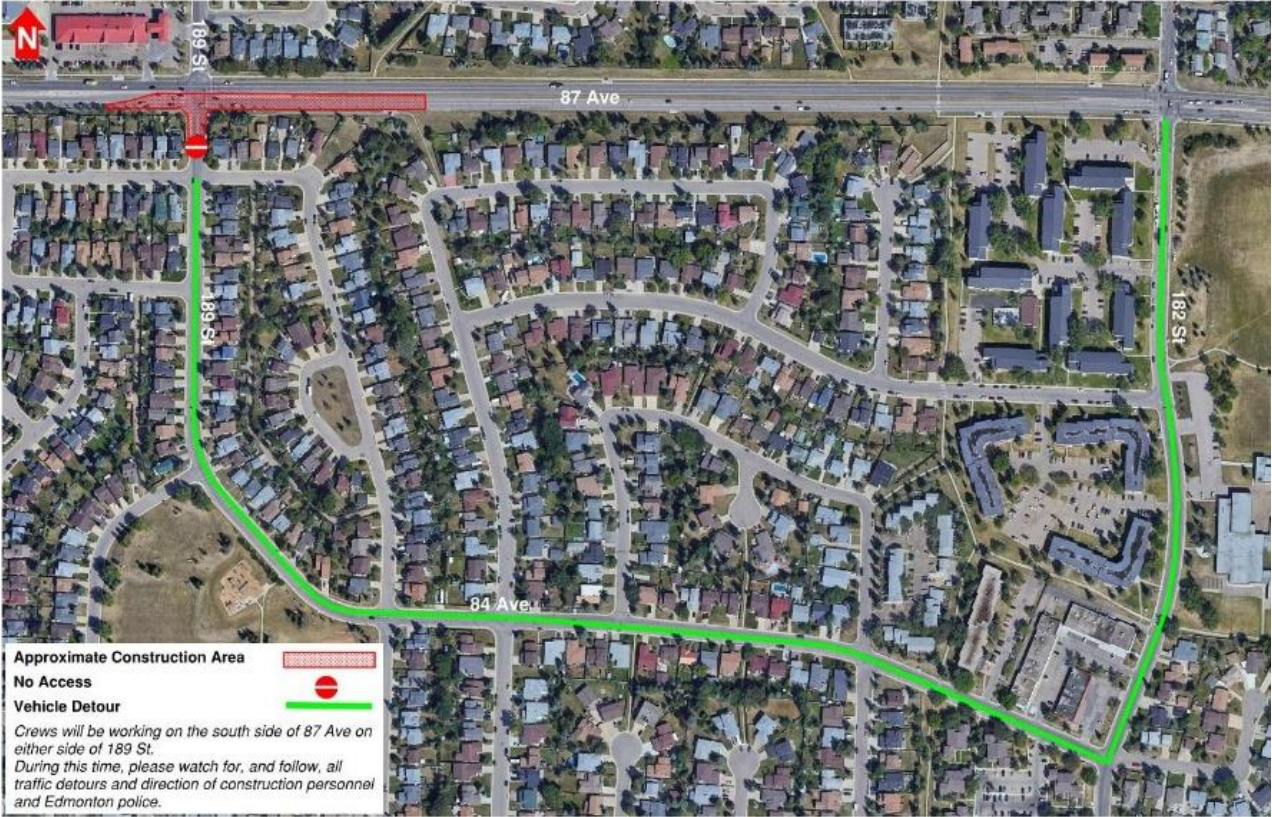

Marigold Infrastructure Partners is committed to following all City of Edmonton bylaws and regulations and has obtained an overnight roadwork permit so that work can take place during nighttime hours to minimize major daytime traffic disruptions. *City of Edmonton Bylaw C14600
