

## Construction Notice

### Construction at the Southwest Corner of 170 Street and 87 Avenue Intersection AREA 6

On or around **May 4, 2026**, Marigold crews will resume drainage and roadwork at the southwest corner of the 170 Street and 87 Avenue intersection.

To accommodate this work, north/south traffic on 170 Street will be shifted east and three northbound and two southbound through lanes will be maintained. On 87 Avenue, traffic will be shifted north and reduced to one lane in either direction. Left and right turn movements will be maintained in all directions.

Pedestrian access west of 170 Street will be shifted to the north side of the road. Please follow project wayfinding signage in the area.

This work will occur during daytime hours (7 a.m. to 9 p.m. Monday through Saturday) and is expected to last three months; however, construction will continue in the area until the end of the year.

#### To accommodate this work, the public will be impacted in the following areas:

##### Drivers:

- Traffic on 170 Street will be shifted east.
- Three northbound through lanes will be maintained.
- Two southbound through lanes will be maintained.
- Eastbound/westbound traffic will be reduced to one lane in either direction.
- Right and left turn movements will be maintained.

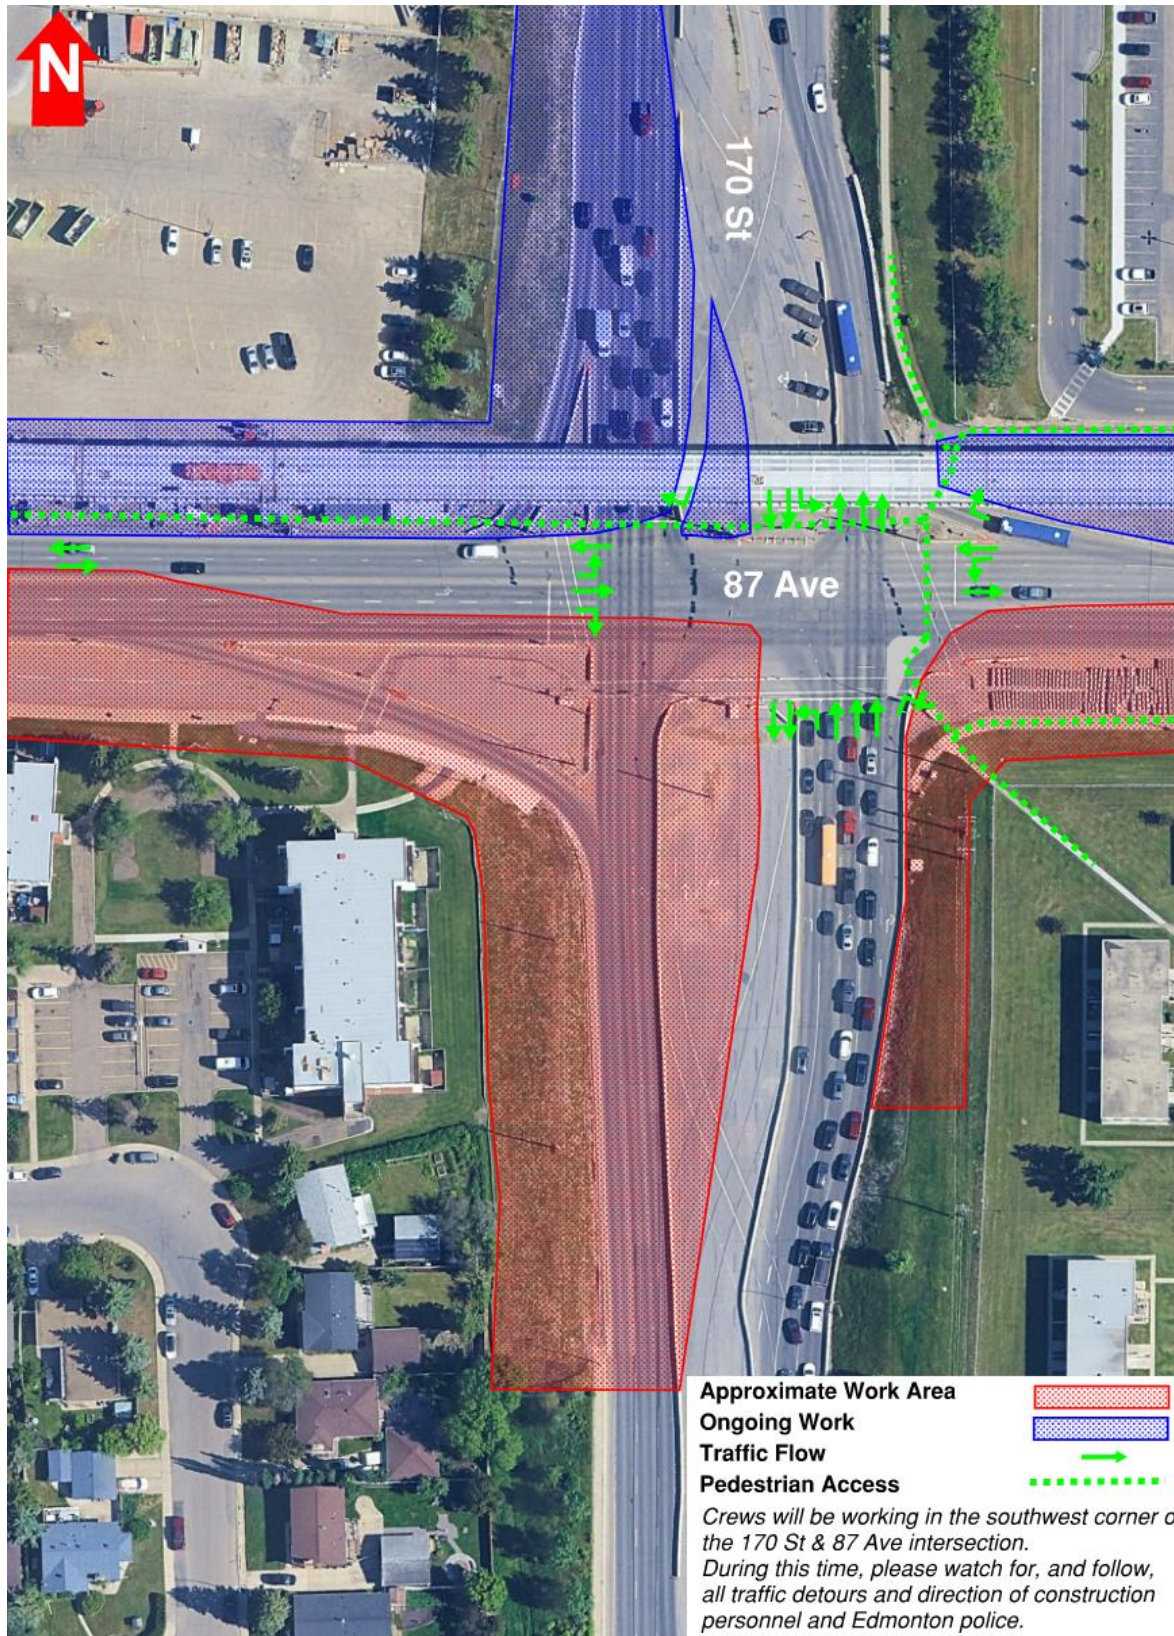

##### Pedestrians:

- Pedestrian access west of the intersection will be shifted to the north side of the road.
- Please observe all project wayfinding signage in the area.

##### Other impacts:

- Work will occur during daytime hours (7 a.m. to 9 p.m. Monday through Saturday).
- Please visit <https://www.edmonton.ca/ets/detours-bus-stop-closures> for all ETS changes and updates.
- This work is expected to last three months; however, construction in the area will continue until the end of the year.

# Northeast Corner of 170 Street and 87 Avenue

*The information in this bulletin is current to April 20, 2026. Please note that all dates are approximate and weather dependent. We thank you for your patience during construction of the Valley Line West LRT project.*
