Temporary Lane Closures on 87 Avenue between 170 Street & 189 Street

UPDATE: Construction work for median removals is extending from 170 Street to 189 Street.

On or around June 20, 2022, Marigold Infrastructure crews will begin removing medians on 170 Street, 87 Avenue, and 178 Street to facilitate construction of the elevated guideway. Once the medians are removed, the area will be temporarily paved to prepare the site for upcoming pier drilling. This work will begin at 182 Street and 87 Avenue and will progress eastward.

To accommodate this work, there will be temporary, short-term traffic interruptions on 87 Avenue between 175 Street and 182 Street. At times, the turn lanes adjacent to the median being removed may be closed, however, turns will be permitted.

Traffic interruptions will occur during off-peak hours (9 a.m. - 3 p.m.), and during overnight hours (7 p.m. - 7 a.m.).

This work is expected to last approximately one month.
