

## Construction Notice

### Updated Timeline – Closure of Stony Plain Road between 131 and 139 Street AREA 3

*This is a supplemental notice for work previously mentioned in the following notice:*

#### [Closure of Stony Plain Road Between 131 Street and 139 Street](#)

In April 2024, Marigold Infrastructure Partners resumed Valley Line West LRT construction on Stony Plain Road between 131 Street and 139 Street. This closure will extend to the end of November 2024.

This closure was required to advance the following work:

- Temporary pavement removed and replaced with permanent paving
- Concrete sidewalks
- Bridge approach
- OCS (Overhead Catenary System to power the line)
- Permanent streetlights
- Utility complex
- Track bed construction and rail installation

#### Why is reopening delayed?

The work that Marigold was aiming to complete by the end of August will be completed on schedule. However, Marigold will keep Stony Plain Road closed until the end of November 2024 to accelerate additional work and help minimize impacts on Edmontonians in 2025.

#### What you can expect

While construction continues, east/west traffic on Stony Plain Road will remain closed. North/south access across Stony Plain Road is currently maintained at 132 Street.

East/west pedestrian access on Stony Plain Road is closed and north/south access across Stony Plain Road is maintained at 132 Street, 134 Street, 136 Street, and 138 Street.

When Stony Plain Road reopens, work on the OCS System, permanent streetlights, and the utility complex will continue. These works will not impact traffic on Stony Plain Road.

Construction will continue during daytime hours (7 a.m. to 9 p.m. Monday through Saturday, and 9 a.m. to 7 p.m. Sundays). Some overnight work may be required; Marigold will inform the public in advance of this work.

We recognize the reopening of Stony Plain Road is later than anticipated and we appreciate your patience during construction.

**To accommodate this work, the public will be impacted in the following areas:**

**Drivers:**

- East/west traffic on Stony Plain Road between 129 Street and 139 Street will be closed until the end of November. Traffic is detoured to 102 Avenue or 107 Avenue.
- North/south access across Stony Plain Road is currently maintained at 132 Street.

**Pedestrians:**

- East/west pedestrian access on Stony Plain Road between 131 Street and 139 Street will be closed until the end of November.
- North/south pedestrian access will be maintained at 132 Street, 134 Street, 136 Street, and 138 Street. Please follow project wayfinding signage.

**Other impacts:**

- There will be noise associated with this work. Every effort will be made to reduce the impact to the public.
- Construction on Stony Plain Road will primarily occur during daytime hours; however, some overnight work may be necessary.
- This road closure is expected to last until the end of November; however, construction will be ongoing until completion.

*The information in this bulletin is current to August 16, 2024. Please note that all dates are approximate and weather dependent. We thank you for your patience during construction of the Valley Line West LRT project. Marigold Infrastructure Partners is excited to be a part of Edmonton's economic recovery.*
