

Winter Works

Winter Construction on Stony Plain Road between 138 Street and 154 Street AREA 4

Construction of the Valley Line West LRT Project will continue throughout the winter months.

Construction is taking place on the south side of Stony Plain Road. To accommodate this work, traffic on Stony Plain Road/102 Avenue between 144 and 154 Streets is permanently reduced to one lane in each direction. Also, traffic has been shifted to the north side of Stony Plain Road.

Stony Plain Road between 138 Street & 146 Street:

This supplemental notice includes updated information regarding work and completion dates: [Lane Reductions and Traffic Shift on Stony Plain Road/102 Avenue between 138 & 146](#)

Construction will continue until fall 2023. The public can expect intermittent access closures onto Stony Plain Road from adjacent streets to accommodate construction works. The public will be notified ahead of these works.

Pedestrian access will be maintained. Detours can be expected during drainage works. Please follow project wayfinding signage.

Stony Plain Road between 146 Street & 154 Street:

This supplemental notice includes updated information regarding work and completion dates: [Lane Reductions and Traffic Shift on Stony Plain Road between 144 & 154 Streets](#)

Construction will continue until fall 2023. Previously closed accesses to Stony Plain Road from adjacent streets will re-open and are expected to remain open throughout the winter.

The previously closed northbound lanes on 149 Street have been re-opened and two lanes in either direction will be maintained throughout the winter months. The eastbound to southbound right turn bay at 149 Street will be closed until spring 2023; however, turn movements will be maintained.

Wooden walkways are installed on the south side of Stony Plain Road between 152 Street and 154 Street. Full pedestrian access on both north and south sides of the road will be maintained.

Business access will be maintained.

To accommodate this work, the public will be impacted in the following areas:

Drivers:

- Traffic on Stony Plain Road between 138 Street and 154 Street has been permanently reduced to a single lane in either direction.
- Traffic on Stony Plain Road between 138 Street and 154 Street has been temporarily shifted to the north side of the road.
- There will be intermittent access closures onto Stony Plain Road from adjacent side streets between 138 Street and 146 Street to accommodate drainage work.

Pedestrians:

- Pedestrian traffic will be maintained; however, detours may be in place. Please follow project wayfinding signage.
- Access to ETS Bus Stops will be maintained, however, stops may be shifted slightly. Please visit <https://www.edmonton.ca/ets/detours-bus-stop-closures> for all ETS changes and update.

Other impacts:

- Most work will occur during daytime hours (7 a.m. – 9 p.m. Monday - Saturday, 9 a.m. – 7 p.m. Sundays), however, some overnight work will be required. The public will be notified ahead of overnight work commencing.
- There will be noise associated with this work.
- There may be vibration during construction.
- Noise and vibration will be monitored, and mitigation measures will be in place.
- Area residents can expect dust. [Dust mitigation measures](#) will be in place.
- For safety and security purposes, the area may be lit with [work lights](#). Marigold will ensure that these lights are not a hazard to motorists or shining into nearby homes.
- There may be generators on site that may need to run overnight. [Noise mitigation](#) will be used to dampen the sound and reduce disturbance to the public.
- Marigold will make every effort to limit work that causes noise and vibrations to occur during daytime hours.

The information in this bulletin is current to November 7, 2022. Please note that all dates are approximate and weather dependent. We thank you for your patience and understanding during the construction of the Valley Line West LRT project. Marigold Infrastructure Partners is excited to be a part of Edmonton's economic recovery.
