

Construction Notice: Valley Line West LRT

Asbestos Removal at 118 Street and 104 Avenue

Area 2

On **March 21, 2024**, Marigold crews will remove an abandoned water line that, due to its age, may contain asbestos on 118 Street and 104 Avenue.

In buildings, and among many other potential asbestos-containing material, asbestos is typically found in wall/ceiling finish materials, flooring materials, mechanical insulation, gaskets, thermal insulation on pipes, refractory material, roofing felts, floor tiles, ceiling tiles and parging, heat resistant panels, incandescent light fixture reflector plates, and any other material requiring a high degree of durability or thermal resistance.

Assessment for asbestos containing material will be completed by a qualified Canadian Registered Safety Professional (CRSP) or Certified Industrial Hygienist (CIH). Abatement will be conducted in accordance with the Alberta Human Services 2019 document *Alberta Asbestos Abatement Manual (AAAM)*.

This work will occur during regular daytime construction hours (7 a.m. to 9 p.m.) and will be contained within Marigold's current work site. There will be no further impacts to the public beyond the current construction impacts.

To accommodate this work, the public will be impacted in the following areas:

Drivers:

- Access to/from Unity Square Centre at 118 Street is currently closed.

Pedestrians:

- East/West pedestrian access on 104 Ave will be maintained on the south side of the road.

Other impacts for all phases:

- Construction work will occur during daytime hours (7 a.m. to 9 p.m. Monday through Saturday and 9 a.m. to 7 p.m. Sunday).
- There will be noise associated with this work. Every effort will be made to reduce the impact to the public.
- This work is expected to last four hours.

118 Street and 104 Avenue

We ask for your understanding and patience as construction progresses.

The information in this bulletin is current to March 19, 2024. Please note that all dates are approximate and weather dependent.
