

Construction Notice

Full Closure of Stony Plain Road between 131 Street and 139 Street AREA 3

On **April 24, 2023**, Marigold Infrastructure Partners will begin construction for the Valley Line West LRT on Stony Plain Road between 131 Street and 139 Street.

This work will include removals of the current sidewalk and roadways so that Stony Plain Road can be reconfigured to accommodate one lane of traffic in each direction, LRT tracks in the middle of the road, and wider sidewalks for pedestrians.

To accommodate this work, Stony Plain Road will be closed to vehicle and pedestrian traffic from April 24 – early November 2023.

Limited north/south vehicle access across Stony Plain Road will be maintained. Intersection closures can be expected as work progresses. Please follow project wayfinding signage.

East/west pedestrian traffic on Stony Plain Road will be closed. North/south pedestrian access across Stony Plain Road will be maintained at 131 Street, 132 Street, 134 Street, 136 Street, and 138 Street. Please follow project wayfinding signage.

Construction will primarily occur during the day (7 a.m. to 9 p.m. Monday through Saturday and 9 a.m. to 7 p.m. Sunday); however, occasional overnight work may be necessary. The public will be notified in advance of this work.

There will be an increase in construction traffic in the area. If locations cannot be reached directly from a truck route, Marigold crews will take the most direct and practical road off the nearest truck route.

This road closure is expected to last until November 2023; construction is expected to continue into 2024.

To accommodate this work, the public will be impacted in the following areas:

Drivers:

- East/west traffic on Stony Plain Road between 129 Street and 139 Street will be closed. Traffic will be detoured to 102 Avenue or 107 Avenue.
- There will be limited north/south access across Stony Plain Road as intersection closures will be in place. Please follow project wayfinding signage.

Pedestrians:

- East/west pedestrian access on Stony Plain Road between 131 Street and 139 Street will be closed.
- North/south pedestrian access will be maintained at 132 Street, 134 Street, 136 Street, and 138 Street. Please follow project wayfinding signage.

Other impacts:

- There will be noise associated with this work such as that of heavy equipment and increased construction vehicle traffic in the area. Every effort will be made to reduce the impact to the public.
- Construction on Stony Plain Road will primarily occur during daytime hours; however, some overnight work may be necessary.
- Construction is expected to last until November 2023.

Marigold Infrastructure Partners is committed to following all City of Edmonton bylaws and regulations and will obtain an overnight roadwork permit so work can take place during nighttime hours to minimize major daytime traffic disruptions. *City of Edmonton Bylaw C14600.

The information in this bulletin is current to April 12, 2023. Please note that all dates are approximate and weather dependent. We thank you for your patience during construction of the Valley Line West LRT project. Marigold Infrastructure Partners is excited to be a part of Edmonton's economic recovery.
