Construction Notice

Partial Access Closures on Stony Plain Road at 127 Street and Sylvancroft Lane Area 3

UPDATE - September 16, 2026 - This summer's record rainfall has caused these partial access closures to be extended to mid-October.

On or around **July 20, 2026**, Marigold crews will begin ductbank and rail construction on Stony Plain Road near the intersections of Sylvancroft Lane and 127 Street.

To accommodate this work, vehicle access across Stony Plain Road at Sylvancroft Lane and 127 Street will be closed. Vehicle access across Stony Plain Road will be maintained at 126 Street and left turns will be maintained via jughandle turns at 126 Street, 127 Street, and 131 Street. (A jughandle turn involves making three turns around a nearby intersection, rather than one left turn.) A new traffic signal will be activated at 126 Street to support north/south vehicle and pedestrian traffic across Stony Plain Road.

Pedestrian access will be maintained; however, detours may be in place. Flagging staff will be on hand to assist pedestrian movements. Cyclists will be asked to dismount and walk across Stony Plain Road.

Construction will occur during daytime hours (7 a.m. – 9 p.m. Monday – Saturday, 9 a.m. – 7 p.m. Sundays) and is expected to last two months.

Tto accommodate this work, the public will be impacted in the following areas:

Drivers:

- Access across Stony Plain Road at Sylvancroft Lane and 127 Street will be closed.
- Vehicle access across Stony Plain Road will be maintained at 126 Street.
- Left turns will be maintained via jughandle turns at 126 Street, 127 Street, and 131 Street.
- A new traffic signal will be activated at 126 Street to support north/south vehicle and pedestrian traffic across Stony Plain Road.

Pedestrians:

- Pedestrian access will be maintained; however, detours will be in place.
- Cyclists will be asked to dismount and walk across Stony Plain Road.
- Flagging staff will be on hand to assist pedestrian movements.
- Please follow project wayfinding signage.

Other impacts:

- Construction will occur during daytime hours (7 a.m. – 9 p.m. Monday – Saturday, 9 a.m. – 7 p.m. Sundays).
- There will be noise associated with this work. Every effort will be made to reduce the impact to the public.
- This work is expected to last two months.
