

## Construction Update

### Reopening of 156 Street and Stony Plain Road Intersection

#### AREA 4

*This is a supplemental notice for work previously mentioned in the following notice:*

[Temporary Partial Closure of Stony Plain Road and 156 Street Intersection](#)

On April 21, Marigold initiated the temporary partial closure of the 156 Street and Stony Plain Road intersection, as part of the accelerated roadwork associated with the Valley Line West LRT.

On **July 10, 2025**, this intersection reopened.

#### What you can expect

- North/south traffic on 156 Street is open to a single lane in either direction.
- East/west traffic on Stony Plain Road is open to a single lane in either direction.
- Right turn movements are maintained; however, eastbound to southbound right turns will be banned until late-September.
- Only eastbound to northbound left turns are permitted.
- Pedestrian access is open throughout the intersection.

While the majority of the roadwork is complete and traffic through this intersection has reopened, construction in the area will be ongoing until completion. The public will be notified ahead of further disruptions.

# 156 Street and Stony Plain Road

For detailed information of what this intersection will look like in its final configuration, check out the [City of Edmonton's Valley Line West LRT Booklet](#).

*The information in this bulletin is current to July 10, 2025. Please note that all dates are approximate and weather dependent. We thank you for your patience during construction of the Valley Line West LRT project.*
