

Construction Notice

Overnight Drilling on 87 Avenue between 164 Street & 169 Street AREA 6

This is a supplemental notice for work previously mention in the following notice: [Lane Reductions on 87 Avenue between 169 & 161 Streets for Elevated Guideway](#)

On or around April 22, 2022, Marigold Infrastructure crews will begin overnight drilling to facilitate construction of the elevated guideway foundations. This work will begin at 164 Street and 87 Avenue and will progress westward.

Drilling will occur three or four nights per week. On each of those nights, drilling is expected to last approximately four hours and the following concrete pour is expected to last another six hours. This work will last approximately three weeks.

87 Avenue between 164 Street and 169 Street

To accommodate this work, the public will be impacted in the following areas:

- There will be increased construction traffic to the worksite.
- There will be noise associated with this work, such as that of heavy equipment. Every effort will be made to reduce the impact to the public.
- Area residents may feel vibration during drilling. Noise and vibrations are unpleasant by-products of construction; however, they are both completely

normal. Noise and vibration will be monitored, and mitigation measures will be in place.

- Area residents can expect dust. Dust mitigation measures will be in place.
- For safety and security purposes, the area will be lit with work lights. MIP will ensure that these lights are not a hazard to nearby motorists or shining into local homes.
- For safety and security purposes, the area will be under video surveillance.
- This work is expected to last approximately three weeks.

Marigold Infrastructure Partners is committed to following all City of Edmonton bylaws and regulations and has obtained an overnight roadwork permit so that work can take place during nighttime hours to minimize major daytime traffic disruptions. *City of Edmonton Bylaw C14600.

The information in this bulletin is current to April 18, 2022. Please note that all dates are approximate and weather dependent. We thank you for your patience and understanding during the construction of the Valley Line West LRT project. Marigold Infrastructure Partners is excited to be a part of Edmonton's economic recovery.
