

Construction Notice

Minor Lane Closures for Tree Removals in Area 1 (102 Avenue between 102 Street and 107 Street to 104 Avenue) Area 2

On or around **January 3, 2023**, Marigold crews will begin to prepare Area 1 of the Valley Line West alignment (102 Avenue between 102 Street and 107 Street to 104 Avenue) for construction. This includes:

- Removal of approximately 100 City-owned trees
- Pruning of roots and branches if they are in conflict with excavation
- Installation of protection fences around trees within 20m of construction
- Hydrovac-assisted utility location investigation.

Tree Removals in Area 1

This work is expected to last until March 31, 2023.

This work will not be fixed to one location. Crews will move from site-to-site between 102 Street and 107 Street on 102 Avenue and between 102 Avenue and 104 Avenue on 107 Street.

Crews will do their best to work on the boulevards adjacent to the trees; however, temporary parking and traffic interruptions may occur. Any traffic interruptions will occur during off-peak hours (9 a.m. to 3 p.m.); however, construction activities may

take place between 7 a.m. and 9 p.m. Pedestrians may be detoured while the work occurs. Please follow area wayfinding signage and the direction of construction personnel.

Marigold is committed to the City of Edmonton Corporate Tree Management Policy. Vegetation that is temporarily or permanently lost due to LRT construction will be relocated or replaced. Marigold will replant more than 2,600* new trees guided by full landscaping plans. These plans will incorporate native trees and shrubs and will commence following construction.

**Previously, Marigold had indicated that 1,800 new trees were to be planted along the alignment; however, as the design of the full landscaping plan has progressed, this number has been revised to 2,600.*

Impacts to the public will include:

Drivers

- Temporary, short-term traffic interruptions. These interruptions could last for 15 minutes to three hours at each location and will take place between 102 Street and 107 Street on 102 Avenue and between 102 Avenue and 104 Avenue on 107 Street during off-peak hours (9 a.m. to 3 p.m.).

Pedestrians

- Pedestrians may be detoured. Please follow area wayfinding signage and/or the direction of construction personnel.

Other Impacts

- Construction activities may occur between 7 a.m. and 9 p.m.
- This work is expected to last until March 31, 2023.
- There may be noise, specifically, that of a hydrovac truck and saw cutting, associated with this work.
